

T & Y Dental Studio

Full Service Laboratory / Established in 1983 / Owner: Igor Narodovich. CDT / (440)-248-8188

Services and Products

- 1) Ceramo-Metal Restorations
 - a. porcelain fused to high-noble, noble and non-precious metals
 - b. all done with low fusing porcelain for better wear characteristics

- 2) All Ceramic Restorations
 - a. e.max-pressable ceramic for crowns, inlays, onlays and veneers
 - b. Zirconia and Zirconia with porcelain build up

- 3) Composite Restorations
Crowns, bridges, inlays, veneers and metal free Maryland style bridges

- 4) We are trained in the restoration of all implant and attachment systems
We can help in the design of your case with diagnostic wax ups and surgical stents, so implants are predictably placed and restored.

- 5) Heat Cured Temporaries

- 6) Turn Around Time:
 - 10 working days for porcelain to metal restoration
 - 5 working days for metal try in
 - 5 days for porcelain application and finishing
 - 7 working days for all ceramic restoration
 - Please add day of pick-up and delivery

Hours: Monday-Friday 8:30am to 5:00pm

Please call for pickup
